THE MODERN VOYAGER

DISTRETTO12 in questa collezione pone al centro il tema della ricerca della felicità. Si ispira a un romanzo per raccontare il viaggio di un uomo fuori dal tempo che apprenderà un modo alternativo di prendere la vita. La destinazione finale di questo viaggio è infatti conquistare uno stato d'animo, la serenità, la pace interiore.

La collezione si snoda nei due luoghi così diversi ma che riescono perfettamente a fondersi nell'identità dell'uomo Distretto.

MEN'S WARDROBE ESSENTIALS: Londra, la metropoli, la quotidianità e il **dinamismo** come massima espressione dell'uomo Distretto che si avvale delle principali caratteristiche dei tessuti active declinati nel dual, nelle stampe e nei tessuti. I cotone accoppiati, cotone con nylon, le giacche in jersey stampate, operate, rigature, effetti spugna definiscono la collezione. Il mondo del mare ispira le fantasie e le palette colori, il nostro imprinting sartoriale dà comfort per riuscire a identificare l'uomo Distretto anche in questo mood. Il guardaroba maschile essenziale è completo.

TRAVEL COMPANION: il viaggio si conclude raggiungendo i luoghi più lontani, da Samarcanda all'India, passando dalla dinamicità urbana alla **spiritualità**, dove si alternano tradizione e modernità. Cambia la palette colori, diventando più calda: dalle tonalità terrose agli aranciati e i bruciati, fino ai rossi. Tessuti pratici e naturali, le tinte e i trattamenti rendono i capi vissuti nel lino stretch e nel tessuto tecnico. Jersey jacquard e la maglieria declinata nei diversi aspetti.

DISTRETTO12, in this collection, places the pursuit of happiness at the heart of its vision. Inspired by a novel, it tells the journey of a man outside of time, who discovers an alternative way of embracing life. The final destination of this journey is the achievement of a state of mind: serenity and inner peace.

The collection unfolds through two very different worlds that seamlessly merge within the identity of the Distretto man.

MEN'S WARDROBE ESSENTIALS: London, the metropolis, everyday life and **dynamism** become the ultimate expression of the Distretto man, enhanced by the core characteristics of active fabrics interpreted through dual constructions, prints and textured materials. Bonded cottons, cotton-nylon blends, printed jersey jackets, textured surfaces, stripes and sponge-effect finishes define the collection. The world of the sea inspires the patterns and color palettes, while our sartorial comfort imprint shapes the Distretto man even within this mood. An essential yet complete menswear wardrobe.

TRAVEL COMPANION: the journey comes to an end by reaching the most distant destinations, from Samarkand to India, moving from urban dynamism to **spirituality**, where tradition and modernity coexist. The color palette becomes warmer, evolving from earthy tones to burnt oranges and deep reds. Practical and natural fabrics, garment dyeing and treatments give the pieces a lived-in character through stretch linen and technical fabrics. Jacquard jerseys and knitwear are interpreted through a variety of textures and expressions.

MAN'S WARDROBE ESSENTIALS

L'armadio essenziale dell'uomo è composto da capi che danno forza alla dinamicità del guardaroba, essenziali e quotidiani. Cotoni dall'aspetto confortevole combinato con nylon e lyocell. Aspetti sartoriali, frescolana comfort per abiti e capispalla anche in cotone reversibili. Giacche in jersey in diverse texture, dalle rigature alle microfantasie, fino ai rigati bretoni ed effetti delavé per jersey tecnici. Effetti spugna, bouclé e jacquard per un universo vintage che racconta un immaginario marinaio. Un mix di tradizione legata al mondo del mare e cultura del look urbano. Urban Heritage, timeless summer retrò. Il blu e bianco, i grigi, il contrasto cromatico tra il moro e panna e i toni pastellati rosa e i verdi dal menta al salvia.

The essential man's wardrobe is composed of pieces that enhance the dynamism of a wardrobe built on essentials for everyday wear. Comfortable-looking cottons are combined with nylon and lyocell, while tailored expressions and lightweight comfort wool shape suits and outerwear, also in reversible cottons. Jersey jackets come in a range of textures, from stripes to micro-patterns, including Breton stripes and washed effects for technical jerseys. Terry, bouclé, and jacquard effects create a vintage universe that evokes a seafaring imagination, blending maritime tradition with urban style culture, an Urban Heritage with a timeless retro summer spirit. Blue and white, greys, the chromatic contrast between deep brown and cream, and pastel tones ranging from pink hues to greens from mint to sage.

TRAVEL COMPANION

Non è un viaggio nei luoghi, ma nelle sensazioni: un percorso intimo e onirico dove il passato diventa ispirazione per un presente in continua trasformazione. Un territorio dove emozione e materia si incontrano. Tessuti tecnici e pratici per viaggiare: mischie confortevoli di nylon, cotone e microfibre si combinano con cotone e lino naturale. Materiali fluidi si accostano a jersey e jacquard sviluppati in blazer. Maglieria per polo con microdisegni, microtrafori ed intarsi. Lino stretch tinto in capo, cotone mische per rigature, garzati e madras. La tavolozza dei colori è calda e ricca di pigmenti naturali: sabbia e terra si accompagnano a vibranti tonalità aranciate, bruciate e cuoio, fino ai rossi bruciati, toni speziati che onorano i cicli della natura e la bellezza dei luoghi attraversati.

This is not a journey through places, but through sensations: an intimate and dreamlike path where the past becomes inspiration for a present in constant transformation. A realm where emotion and material meet. Technical, practical fabrics for travel: comfortable blends of nylon, cotton, and microfibers combine with cottons and natural linen. Fluid materials are paired with jersey and jacquard developed in blazers. Knitwear for polos features micro-patterns, microperforations, and inlays. Garment-dyed stretch linen, cotton blends for stripes, brushed fabrics, and madras. The color palette is warm and rich with natural pigments: sand and earth tones are joined by vibrant orange shades, burnt hues and leather tones, all the way to deep burnt reds and spicy tones that honor the cycles of nature and the beauty of the places encountered.
